**Violation Type:** Speeding 20+ mph

**Warning Type:** \_\_\_\_\_

**# of 20+mph Speeding Incidents:** 5 or more

**Week Ending Report Date:** \_\_\_\_\_

### Incidents:

A 20+mph Speeding incident is reported when a TM is driving 20 mph or more over the posted speed limit for that area of the road. If you believe that any of the reported speeding incidents in the above listed week are inaccurate, then report it to your GM and/or DM immediately for investigation (and enter your request for investigation in TM Comments below).

### Plan Improvement:

Slow down, obey all posted speed limits. Pay closer attention to speed limits around the entrance and exit ramps of major highways/freeways, around road construction, in neighborhoods, and around schools.
