### Action Plan:

As a member of Management, driving is not my primary job responsibility. I understand that I have not met the safe driving standards outlined in the MAC Pizza Drivosity Policy. As a result, my authorization to drive for the company has been revoked, and I will be required to sign a Non-Driving Agreement. I understand that I will not be authorized to drive for any work-related reason. My driving authorization may be returned at a later date, dependent on Drivosity violation dates within prior 6 months (and meet other driving eligibility requirements).
