Englewood Christian Church

Englewood Christian Church, a congregation of the Christian Church (Disciples of Christ), is called to share with others by our actions the Word of God as revealed through the love and life of our Lord and Savior Jesus Christ.

It is our vision that Englewood Christian Church will be a place to which people will look for help in relating faith to daily life.

It is our calling to be a faithful, growing church that demonstrates true community, deep Christian spirituality and passion for justice.

These concerts are a part of our ministry plan, which is:

1. To explore and implement creative ways of worshiping God through music and the arts which respect both traditional elements and contemporary innovations with intellectual soundness and emotional appeal,
2. To make the community aware of Englewood and the services it provides,
3. To express our faith and love throughout the community by service to others, and
4. To nurture spiritual growth for ECC members.

#7 When in Our Music God is Glorified

*Let every instrument be tuned for praise!
Let all rejoice who have a voice to raise!
And may God give us faith to sing always
Alleluia!*
