RE: California Public Records Act Request: PRA 26-362

Dear Jade:

The information contained in this letter is being provided to you in response to your request to obtain data or inspect government records that may be in possession of the Redwood City Police Department as detailed in your April 11, 2026, request made through the City of Redwood City's website for records or information that may be available under a California Public Records Act (CPRA) requests. Your request for records and/or information was processed under statutes specified in California Government Code § 7920.000 et seq. In your CPRA request, you asked for the following as part of the information you wished to receive:

“- the location of the Flock Camera within the city”

The Redwood City Police Department strives to correctly interpret California Government Code § 7923.600 et seq. and related statutes when releasing information in its possession that, if released, would endanger the safety of a person involved in any investigation, would endanger the successful completion of an investigation or related investigation, or is otherwise exempt by statute. Please see our response to your CPRA request below:
