Introduce yourself	b.1977 Art helps me make sense of things inside and outside of me that i wouldn't be able to understand otherwise. From bronze casting 50ft buddhas to graphic novels and tattooing Im grateful to be a full time creative.I want to continue this creative journey and find my voice and amplify the voice of those society has forgotten about.

Do you have a project in mind at this time?	To learn from those that are succeeding , an illustrated poetry manuscript, installation concepts and more
Tell us why you want to join Quarantine	I lived at a buddhist temple for ten years and thrived in the isolation of it. This is a once in a life time chance to be guided by masters and to be pushed in a way that to breakthrough to the next step in my own artistic journey and to laser focus on my art practice in a way that i find impossible in daily world. I look forward to no phone.
Briefly describe your Artistic and Creative difficulties	I dont want my art to be derivative, I want to find my voice, and to express whats in my head and heart effectively.
What are your inner demons?	Insecurity , Style
Anything else you want us to know?	I value mentor ships and hard work. There would be so much to learn from these amazing artists who I have a ton of respect for. I lived on a 12 hour work schedule for ten years at the temple where I lived and thrive in this type of environment where distractions are taken away.
