Introduce yourself	<p>I was born in Brussels 31 August of 1979. Throughout my life I tried many different media without really delving into anything. I love the traditional arts and crafts involved. I am always interested in the contrast between light and shadow, texture and shape. Anatomy and conveying emotion is difficult for me. I would like to learn this.</p>

Do you have a project in mind at this time?	Painting a raven with oil painting. Sculpting Gruagach from hellboy.
Tell us why you want to join Quarantine	In recent years I have endured a few crises, both personally and creatively. I want to make a new start. reinventing myself and letting go of my old demons. I want to make a new start closer to my emotions. sometimes I dream of being able to make a living from my art. But I do not know if that is possible.
Briefly describe your Artistic and Creative difficulties	I encounter my greatest difficulties when telling a story. I would like to make my work more of a story so that the viewer keeps watching and can get something out of it for themselves. furthermore, I want to break away from what I assume something should look like. I want to present things correctly, but when that doesn't work I get frustrated
What are your inner demons?	Insecurity , Inconsistency , Style , Block , Stagnation
Anything else you want us to know?	
Fluency in English	Adequate
