<b>Introduce yourself</b>	Hi! My name is Alice and I am an Italian artist based in Leeds UK where I work, live and studying Japanese language. At high school I studied Cinema and Photography and after that I enrolled to studying animation. I'm a self taught painter and I have my own style but I have never stopping experimenting and find new avenues to express my self.
<b>Do you have a project in mind at this time?</b>	At this time I haven't but I'm sure if need it I can think of something! I'm currently increasing the scale of my work to 118cm. I paint with oils on wood panels.

<b>Tell us why you want to join Quarantine</b>	I want to do something I haven't never done before, push my boundaries and be open minded to new experiences.
<b>Briefly describe your Artistic and Creative difficulties</b>	It's difficult for me to be less minimalist in my expressions.
<b>What are your inner demons?</b>	Creative block, perfectionism and rigidity
<b>Anything else you want us to know?</b>
