Introduce yourself	Hi! I am an Animator, Video Editor, Motion Graphics & Styleframe Artist with a background in painting, ceramics and photography
Do you have a project in mind at this time?	no, the process is a means to a beginning. i want to see where it takes me.

Tell us why you want to join Quarantine	to enrich my artistic experience and strengthen my inner artistic voice. i want to invest in myself and in releasing the experimental artist that i know is there
Briefly describe your Artistic and Creative difficulties	i often feel like an idea is forming in my head but i never quite get it down on paper. i get lazy when it comes to performing any kind of daily rituals and go through fits and starts with creative inspiration. i think that disconnecting from the noise and reconnecting to my art would jump start me.
What are your inner demons?	Style , Inconsistency , Stagnation
Anything else you want us to know?	i think this looks like an awesome program that allows artists to carve out space for themselves.
Fluency in English	Fluent
✓I have read the Quarantine "INTERZONE" program and understand the basic concept and format of the event, and I am aware that only a very small number of applicants are selected and I wish to apply.	1
