Introduce yourself	Hello! I am an oil painter. 30 y.o. At this point in my life, that feels more like an affliction than a blessing. I have a 9-9 job that pays the bills, and even when every cell of my body is tired, I can't help but sit in front of the easel and agonize over what my tired mind will produce. I am an artist through and through. The honor is all mine.

Do you have a project in mind at this time?	Yes. I am currently envisioning a series of plein-air paintings of real corpses at a forensic body farm not far from me. I would like to stress that the purpose of my paintings is not base shock value, it is simply the pictorial landscape that I am faced with day-to-day on the internet. Sometimes I feel like the internet is the outdoors these days.
Tell us why you want to join Quarantine	I want to join Quarantine because I want to experience something new. I scour the internet for serious content about painting, and this organization is on a microscopically short list of people that I see actually trying to advance painting forward. I would feel fortunate to take even a small part in the advancement of painting as a cultural force.
Briefly describe your Artistic and Creative difficulties	My creative difficulties come from a lack of courage and decisiveness. I'm sure that you all have felt the same longing for excellence that I do. Please take a look at my instagram profile. I am pretty much self-taught to this point. I love painting with all of my heart, but I am not surrounded by people that feel the same way. I want to grow!!!!!!
What are your inner demons?	Inconsistency
