Introduce yourself	I was born 1989 in Guam, moved to the PH then to Los Angeles. I love cartoons, animation of all types, ancient figural art and children's book art. I've played around with many mediums over my lifetime and love to doodle and my favorites are watercolor, sculpture & charcoal. I want to continue to grow. I want to create art for my own enjoyment.

Do you have a project in mind at this time?	I want to put together a picture book about a plague doctor and a rat.
Tell us why you want to join Quarantine	Being around creatives makes me more creative and driven plus
Briefly describe your Artistic and Creative difficulties	I am most comfortable in my artistic voice and I can get stuck wanting to do things the way I'm comfortable and I'm colorblind so my color choices can be very unusual.
What are your inner demons?	Stagnation
Anything else you want us to know?	Maurice Sendak, Jean Michel Basquiat, Kazuma Kaneko and Higuchi Yuko are my biggest inspirations.
Fluency in English	Poet
✓I have read the Quarantine "INTERZONE" program and understand the basic concept and format of the event, and I am aware that only a very small number of applicants are selected and I wish to apply.	1
