1☐ Top mentor choice	Phil Hale
2☐ Second choice	Edward Povey
3☐ Third choice	Yuko Shimizu
☐☐ Another option that might interest you	Eloy Morales
Introduce yourself	Hi! My name is Shira, or Poesis, 25. I'm an Israeli surrealism artist specialising in Tattoos. Self taught artist, I started my career 3 years ago. Moved to Germany, tattooed around the world, moving as an artist to nyc! My goal is firstly to develop my inner self, my creativity and to break the barrier between the traditional arts and tattoos.

Do you have a project in mind at this time?	<p>The biggest project I'm working on, which is also ever evolving, is to enrich my inner self. Which is also why I register.</p> <p>I'd like to work on transferring my art into paintings, to learn more about oil and acrylic. To express myself, to extend my storytelling and the messages I'm embodying in my art into other mediums.</p>
Tell us why you want to join Quarantine	<p>Having ADHD I tend to learn better in unconventional ways, I like to learn through experience, critical thinking and vulnerability. Quarantine is perfect for that! I really enjoy being surrounded with other creative minds and find it very empowering. It's crucial for me to keep connecting to my inner self, so I can keep growing as an artist.</p>
Briefly describe your Artistic and Creative difficulties	<p>Art is my biggest love, yet it can feel extremely difficult to get up and do it. It often seems like my emotions are getting the best of me, holding me back and clouding my motivation. A lot of fear, heavy weight, self doubt leading to a terrible procrastination problem. I'm eager to learn a way to control, change or at least coexist with it.</p>
What are your inner demons?	<p>Block , Insecurity , Inconsistency</p>
Anything else you want us to know?	<p>Trying to answer to every section with only 350 letters was a humbling experience.</p> <p>Can't wait to hear back from you, super excited for this opportunity!!!</p>
Fluency in English	<p>Fluent</p>

✓I have read the Quarantine [Interzone Quarantine Mentoring Program 2024](https://www.quarantine.events/interzone-quarantine-mentoring-program-2024) and understand the basic concept and format of the event, and I am aware that only a very small number of applicants are selected and I wish to apply.
