Quarantine is an Art event run by leading artists in Menorca, Spain.

We hereby verify that **Shanell B. Papp** has been accepted via our selection process for admission and will be participating in Quarantine's "Interzone" program, which will take place from **14th to 20th October 2024**, on Lazaretto Island in Menorca, Spain.

The participation fee of €3,270 covers a 7-day quarantine period, 3 private mentorships, a 7-day intensive Art Lab, daily lunch and dinner, ferry transportation, all fees & taxes, and some art supplies including an easel and gamsol. It does not include lodging & breakfast or plane tickets.

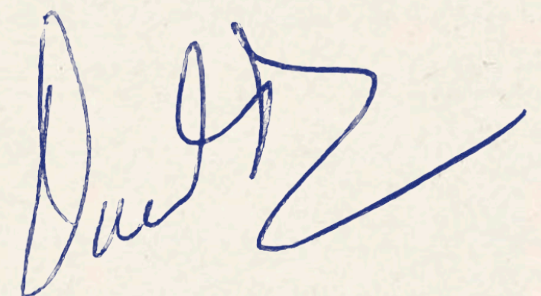

Quarantine events intend to aid artists to progress as professionals beyond the skills they may have acquired in traditional art schools and academies. This is done by means of activities that include masterclasses, workshops with practical painting challenges, roundtable discussions, private mentorships with internationally renowned artists and networking with other participants from around the globe. Please feel free to contact us via email or telephone for any additional information.
