<b>Introduce yourself</b>	I am a lifelong artist. I have an art degree from Skidmore College in NY state, '87 (I'm old!). I have painted on and off for years, raising my kids and while I worked in Interior Design. I committed myself to creating art as full time as possible on Jan. 1, 2022. I am working toward making a body of work that I will present to gallerists.

<b>Do you have a project in mind at this time?</b>	Not a specific project--just connecting with other artists and loosening boundaries. btw my website is minimal. i need to update it!
<b>Tell us why you want to join Quarantine</b>	While I do like to study with specific artists, I love the idea of stripping the ideals out of my head and attacking new ideas straight on. I feel that at times I paint to please a certain crowd. My work has a bunch of different looks--some is far more me and sometimes it's what i think locals will buy. I want to free myself of that!
<b>Briefly describe your Artistic and Creative difficulties</b>	Sometimes I get stumped on what to do next. I know that my current goal is to make a body of work to present to galleries. Here I am in march and I have been wanting to get large paintings going and I have been making smaller works since the new year. I finally got the big ones started this week, yay! it feels so good. I think I am afraid.
<b>What are your inner demons?</b>	Insecurity
<b>Anything else you want us to know?</b>	I feel that I am taking a risk doing this, and I am excited!
<b>Fluency in English</b>	Fluent
