Introduce yourself	An obsessive dabbler. I make money painting props for marvel Starwars and lord of the rings. This pays for my personal practice that consists of Smokey watercolour jinns. Currently painting the interior as exterior of my houseboat with Luck dragons as hopefully an old willow style for outside. Need to learn fundamentals as started in fine art

Do you have a project in mind at this time?	Chinese zodiac iching explorations
Tell us why you want to join Quarantine	Just had a baby boy in July, need some time away to reset and install some direction going forward as a mother. Self esteem is fragile and emotion plays too big a role which often forfeits consistency.
Briefly describe your Artistic and Creative difficulties	I would like to have a more reliable practice. To Learn to sit with the mundane and keep working through the tedium instead of jumping for the shiny things that get the heart rate pumping. Or at least Learn how to accept that is how I work and flow with it. I work well under pressure but it would be nice to work another way.
What are your inner demons?	Inconsistency
Anything else you want us to know?	I'm not very tall. I like plants but keep killing my rhubarb. I can be shy.
Fluency in English	Poet
✓I have read the Quarantine "INTERZONE" program and understand the basic concept and format of the event, and I am aware that only a very small number of applicants are	1
