<b>Introduce yourself</b>	I'm Dae, a Russian born artist currently based in Hamburg, Germany. Art has been a part of my life since I was a child and now it's my career. I work with both digital and traditional mediums. I worked in animation and games, then switched to tattooing - I saw it as a possibility to actually do my own thing. Now, I need to keep growing.

<b>Do you have a project in mind at this time?</b>	Nothing big, only small works and studies. I am also thinking of making a book but it's yet to figure out what it is about.
<b>Tell us why you want to join Quarantine</b>	As I mentioned in the introduction, I want to grow. And not so much in technicalities but to become more mindful of what I create. To bring that voice within into the light.
<b>Briefly describe your Artistic and Creative difficulties</b>	I think is that I can't find that vision, or a path for my work.
<b>What are your inner demons?</b>	Style
<b>Anything else you want us to know?</b>	Finding my voice, reason for my art would be my main demon I need to sort out. Sometimes I feel stuck, sometimes insecure. But these feelings are fleeting, they come and go.

<b>✓I have read the Quarantine &lt;a href="https://www.quarantine.events/interzone-quarantine-mentoring-program-2024"&gt;"INTERZONE" program&lt;/a&gt; and understand the basic concept and format of the event, and I am aware that only a very small number of applicants are selected and I wish to apply.</b>	1
