

Youth Learning Design Bootcamp Application

Introduction & Program Overview

Thank you for your interest in the [RainbowVI Youth Learning Design Bootcamp](#)!

We are looking for **3 motivated teens aged 15-18** to join a free online bootcamp. No prior design experience is needed—we're looking for curiosity, creativity, and a passion for making a difference.

During this bootcamp, you will learn how to design, test, and launch an engaging online learning experience for other youth, focusing on a topic you are passionate about related to youth well-being.

- **Who are we looking for?** Motivated teens aged 15-18 who are passionate about youth well-being and based in Metro Vancouver.
- **What is the commitment?** Approximately 8-10 hours per week for the duration of the bootcamp.
- **What is required?** A computer with reliable internet access.

The Application Process

The application process is simple and has two steps:

1. Complete this online application (about 10 minutes).
2. If you are shortlisted, you will be invited to a 15-20 minute virtual interview.

Application Deadline: August 5, 2025

Contact: If you have any questions, please email admin@rainbowvi.org.

Disclaimer: Personal Information & Privacy

Please note that all personal information collected during the application and program enrollment process will be used solely for the purpose of running the Youth Learning Designers Scholarship Program. This includes communication, selection, and program administration. We are committed to protecting the privacy of all applicants and participants. Personal data will not be shared with external third parties without explicit consent, unless required by law.

☐ No

Section 1: Applicant Information

Full Name *

Tianna Lam

Email Address (please provide a correct email address as we will contact you through email) *

tlam52379@gmail.com

Phone Number (if available)

236-881-3462

Date of Birth *

MM DD YYYY

09 / 11 / 2007

Current Age *

17

City / Town of Residence *

Surrey

Section 2: Your Motivation & Experience

Why are you interested in joining the Youth Learning Design Bootcamp? (50 words max) *

I am interested as I have taken design courses in high school and really enjoyed them. I am hoping to improve on my design skills with this bootcamp and create a portfolio for post secondary.

Describe a time when you used your creativity to solve a problem or build something new. What was the outcome? (50 words max) *

During my time on my school's yearbook team, I ran into many challenges. Our theme was "2000's Internet". I was in charge of making the library page but had no idea how to design it. I then thought of recreating Wattpad's old website design. It ended up looking really nice!

There are three themes that we want to build courses on: *

🌟 **Mental & Emotional Resilience** – Stress hacks, self-compassion, spotting anxiety

💬 **Healthy Relationships & Communication** – Boundaries, conflict, listening

🌍 **Sustainable Living for Youth** – Eco-friendly habits, mindful consumption, small changes for big impact

What does "youth well-being" mean to you, and what is a specific topic within that area you are passionate about? (50 words max)

Youth well-being to me is being happy and comfortable. As someone who was depressed throughout highschool, youth well-being is something I wish for all youth. With that being said, I am passionate about mental health and hope I can help youth who struggle with it through design.

Do you have any prior experience in design, coding, or creating online content? (No experience is required, but this helps us understand your background.) *

Yes, I do. I took digital design in grade 8, media design in grade 10, and graphic design in grade 11 and 12. I also worked on my year's yearbook.

Section 3: Availability & Logistics

Are you able to commit 8-10 hours per week to the online bootcamp? *

☒ Yes

☐ No

Do you have a computer with reliable internet access for the duration of the program? *

☒ Yes

☐ No

Section 4: Final Questions

How did you hear about the Youth Learning Design Bootcamp?

☒ Social Media

☐ Friend/Family

☐ RainbowVI Website

☐ Other:

Thank you for applying! We will review your application and be in touch soon.
