

Sociology 164 Social Action: PARTICIPATION (20%)

On the day of the final, turn-in a typed statement explaining what you deserve for your participation based on the below criteria. Please give yourself a grade for your large-group class discussion. In addition, provide a grade for each group member based on below criteria for their small group campaign work. I will take your comments into consideration in my evaluation of participation.

LARGE-GROUP CLASS DISCUSSION

- Excellence (A) requires that you played a leadership role in the large group class discussion, applied the text, discussed points articulately and responded intelligently to other's views; asked insightful questions, and took responsibility for the direction of the class discussion.
- Above average (B) requires that you participated regularly in the large class discussion, demonstrated good knowledge of the text, discussed points articulately and responded intelligently to other's views; asked insightful questions, but you did not take a strong leadership role in the overall class discussion.
- Average (C) requires that you followed the discussion in the large class, made occasional comments, had a basic knowledge of the text, and sometimes asked questions in the large group.
- Below average (D) requires that you occupied a seat and occasionally showed signs of life.
- Failure (F) requires that you occupied a seat but showed no signs of life.

SMALL-GROUP CAMPAIGN WORK

- Excellence (A) requires that you played a leadership role in the campaign work of your team by taking responsibility for the direction of the campaign. Thus, you provided continual input to help your campaign to help it move forward, asked questions, and completed the assignments you committed to do for the group.
- Above average (B) requires that you participated regularly in the campaign work of your team but did not provide continual input to your campaign, and did a pretty good job at completing assignments you committed to do for the group.
- Average (C) requires that you showed up to most meetings and activities, but rarely put ideas forward or only occasionally did things to help move the campaign forward.
- Below average (D) requires that you occupied a seat and occasionally showed signs of life.

- Failure (F) requires that you occupied a seat but showed no signs of life.
