PROVEN RESULTS

Month	Moomin Language School	Reference group
March	~80	~65
May	~85	~70
November	~90	~75

A method comparison in Malaysia (Perak State Department of Education)
 Two groups of first-graders; one group used Moomin Language School, the other used a book from the Cambridge Super Minds book series. Children who used Moomin Language School got on average 18% more correct answers in the tests.
