1) Q : Suppose you are being on board as the duty officers. Now your contract still remains 4 months from now. Unfortunately, you get the saddest news which your parents passed away. What would you? First, I will report the situation to the C/E and Captain. but, I know I can't leave the ship immediately. I have to conduct my duties and responsibility until the company find a replacement. 2) Q : What would you do if you were constantly treated unfairly and illegally by your superiors such as Captain, C/O, C/E, 1/E etc.,. (e.g., repeated beatings, verbal abuse, personal insults, etc.) while on board? First, I will try to solve the problem by requesting a meeting with my superiors to ask for an improvement. but, if the problem continues, I will report the situation to the company's management team. Even in difficult situations, I will focus on my duties to ensure the ship's management while following the proper regulations
