So he's seeing catfish

Here's the thing.

No, he's seeing that his plan sucks

Ur the right guy

I'm at one million percent peace

This thing is in the right hands

We lose the prelim

U put the fail safe in place

YOU have this

We can't lose. I need him to get it through.

If if if we lose. We got it

I think we're really close. I just need one more piece and I think everybody would get on board.

I feel like the ME has questions about the knife. If she would just come out with it, it would be huge.
