

Names

I feel like I want to have this conversation while cuddling, Holding your hand and having the other on your belly. It's a dream I can't wait to have.

I really like the name Chloe that you suggested.

Daphne is another I like, she was a goddess of streams, springs, and brooks. Reminding me of you with the color

For now I find boy names more difficult Robert / Robby came to mind after my Father, Grandfather, and my middle name I like Lucas and Ethan.

As I think about this all I want is to hold you, hold your hand, and look into your eyes and dream about this

Love you.
