Hello, mom, my love! Wow, but it's okay, right, as long as I don't have to take medicine, every night is fine. Yeah, send a photo of Ju too, even if he doesn't know, you know best, haha lol. I'll wait to see when Juci sends the message and the photos. I don't know if she's waiting for you to be able to transfer the money to her or what lol. We just got back from the gym, and now I have Bible Study. When I get back, we'll have dinner and I'll take a shower. At the gym, we walk on the treadmill for a good while. But why does she keep missing? It's dangerous to keep accumulating absences and end up repeating, right? You have to use your common sense. I can hardly wait to go back home and be able to tease her more too. How nice that Ju is working, right, seems good, as long as he has common sense and is responsible enough to drive, it's fine. Grandpa isn't drinking, what a blessing, right, but is he still with his girlfriend? Tomorrow we will switch to a normal schedule again, we'll be just 1 hour ahead of Brazil, better, shorter days. I want the days to pass quickly. I'm talking to this girl (she's an author, published books and everything, she even sent me her books to read) her name is Kate, she works with the guy named Zacharia, we have video calls sometimes. They are the ones interested in making a documentary with Netflix about my case, interview, etc. So I'm negotiating with them regarding money, etc. And they could help me while I'm here, putting money in my account, etc. As soon as I decide about closing a contract with them, if we make an agreement for them to pay more, I will pass your contact for them, then the girl named Milena who works with them will get in touch with you, she is Brazilian too, then she explains the process and everything. It's more like an interview, and you share photos from my childhood, whatever, with them. They will be paying for all of this. But when it's time for us to do this, I'll let you know first. Yesterday, Vanessa, the other girl, Dalila, and I worked out, haha, so today I'm sore. Let's try to get back to our routine again. How 's grandpa, Dudinha? and Ju? Send them a hug. Tell them I miss them so much, but that we'll get together soon. And I pray for each one. Let's stay strong and in faith. Yesterday I finished my novena, my 9th day. But that's it, my love, tomorrow or Sunday I'll send you more messages, my love. God bless you all. I miss you so much. Send a kiss to them for me. We will be together soon, with God's grace. Kisses, I love you more than anything in this life, my love!

Oiiii mamãe, meu amoor! Eiita, mas ta bom né, desde que não precise tomar remédio toda noite ta bom. Simm, manda foto do Ju também, mesmo sem ele saber, você que sabe kkk. Vou esperar pra ver quando a Juci manda mensagem e as fotos. Não sei se ela ta esperando você poder repassar o dinheiro pra ela ou o que kkk. Acabamos de voltar da academia, e agora tenho Estudo da Biblia. Quando voltar vamos jantar e tomo banho. Na academia andamos na esteira por um tempo bom. Mas por que ela manda faltando? Perigoso ficar acumulando faltas e repetir né. Tem que criar juizo. Mal posso esperar voltar pra casa e poder pegar mais no pé dela também. Que bom que o Ju ta trabalhando né, parece bom, desde que tenha juizo e responsavel pra dirigir ta bom. O vô não ta bebendo, que benção né, mas ainda ta com a namorada dele? Amanhã vamos entrar no horario normal de novo, vamos estar só 1hr antes do Brasil, melhor, dias mais curtos, quero que os dias passem logo. To conversando com essa moça (ela é autora, publicou livros e tudo, até me mandou os livros dela pra eu ler) o nome dela é Kate, trabalha com o rapaz se chama Zacharia, a gente tem video chamada as vezes. Eles que estão interessados em fazer um documentário com a Netflix sobre meu caso, entrevista, etc,. Dai to negociando com eles em questão de dinheiro, etc,. E eles poderiam me ajudar

enquanto estou aqui, colocando dinheiro na minha conta, etc.. Assim que eu decidir sobre fechar contrato com eles, se fizermos um acordo de pagarem mais, vou passar seu
