Courses	Juniors, under 16, can run the Novice/Junior and the Middle courses but not the Long due to road crossings. **Novice / junior course** The novice /junior course is about 1.9km and stays within the confines of Llandaff Fields . We would suggest that all novices try this course first before running one of the longer courses. **Medium** The second course is about 3.5km and stays within the confines of Llandaff and Pontcanna Fields **Long** The longest course is about 6.1km direct line and will extend beyond the park, crossing Western Avenue and going into Cardiff Met campus and Llandaff Meadows
What to wear	Most of you will want to wear normal running gear. If you intend to walk then stout shoes will do. You will mostly be running/walking on tarmac and grass but it could be muddy, so come prepared. If you have a compass you can bring it but you do not normally need one for this kind of racing. Bring a waterproof if it looks like being wet.
