	Newport/Rogerstone MapRun **11th March 2026**
Event type	60 Minute Night Urban Street Score The event uses the MapRun app on your smartphone (or Garmin watch) to track your location. You can download MapRun here: Google Play store iPhone App Store At the start you'll be given a paper map showing a number of 'controls' (check points) in the area, each with different points allocated. Your challenge is to visit these checkpoints to score as many points as you can within the hour. You'll be running in the dark, so it is recommended to bring a decent torch and wear something hi-vis.
