BEFORE YOU TRAVEL

Arrive prepared. Travel with peace of mind.

01

Route & flights

Arrive in Cape Town and depart from Johannesburg's O.R. Tambo International Airport. The domestic flight between the cities is included; international flights are not. Confirm flight times, baggage allowances, transfer arrangements, and hotel details before booking.

02

Documents & health

Travelers are responsible for passports, visas, and correct travel documents. Reservation names must match passports exactly. Verify entry and health requirements for South Africa and any transit destinations with the relevant authorities well before departure.

03

Required insurance

Travel medical insurance must include emergency medical coverage, emergency medical evacuation, and repatriation of remains. Proof of policy is due 60 days before departure. U.S. health insurance will most likely not meet these requirements.

04

Activity & flexibility

Certified Africa requires travelers to be able to walk at least 5 miles each day independently. Consult your physician about fitness to travel. Table Mountain cableway and Robben Island ferry operations depend on weather and conditions. Itinerary details and suppliers may change.

THOUGHTFUL PLANNING

Know before you book.

Refunds & cancellations

Cancel within 48 hours of booking for a full refund. After 48 hours, the deposit and all future payments are non-refundable. Refunds can only be processed once funds have settled; payments may take approximately 4 business days or more to arrive.

Payment plans & final payment

Plans require automated monthly card payments beginning the month after booking. Date changes must be requested at least 72 hours before payment. A third failed payment attempt incurs an interest fee; two missed monthly payments may lead to cancellation. Reinstatement is available within 7 calendar days by paying all past-due amounts. Final payment is due as stated in your confirmation: after 3 business days late, a $100 penalty applies; after 7 business days, Certified Africa may cancel.

Roommates, transfers & changes

Roommate matching is a courtesy, not a guarantee. If unmatched 90 days before departure, the single supplement is required and may be paid over the final 3 months. Transfer to another traveler by email carries a $199 fee. Prices may change before confirmation; post-booking occupancy changes use current prices. Itineraries may change due to availability or vendors, with equivalent substitutions for major changes.

Protect your journey

Comprehensive trip-cancellation insurance, including a “Cancel for Any Reason” option, is strongly recommended. Coverage and reimbursement depend on your policy. Trips canceled for reasons beyond Certified Africa’s control may be rescheduled; refunds for travelers unable to attend new dates are not guaranteed. Participation includes photo/video-use permission under the booking terms.

Policy summary only. Review the full booking terms, including liability provisions and traveler responsibilities, before purchasing. By purchasing, you are bound by those terms.

Your next chapter begins in South Africa.
