Last Updated: 7th August 2025

This Privacy Notice applies to the processing of personal data by Space Meridian (" **FilCDN**," "**we**," "**us**," or "**our**") including on our website available at <https://filcdn.com> and our other online, offline or mobile offerings which link to, or are otherwise subject to, this Privacy Notice (collectively, the "**Services**"). The purpose of this document is to provide you with information on how FilCDN uses, collects and discloses of your personal data in accordance with applicable law relating to data privacy, including, but not limited to, the Cayman Islands Data Protection Act (as amended) (together, the "**Data Protection Legislation**"). If you are an individual, this will affect you directly. If you are an institution that provides us with personal data on individuals connected to you, this notice will be relevant for those individuals and you should transmit this Privacy Notice to such individuals or otherwise advise them of its content.

Disclosure Regarding Customer Data. This Privacy Notice does not apply to the personal data that we process on behalf of our customers in our capacity as data processor, pursuant to a written agreement we have entered into with such customers ("**Customer Data**"). Our customers' respective privacy notices or policies govern the collection and use of Customer Data. We process Customer Data solely in accordance with our contractual obligations and the lawful instructions of our customers. Any questions or requests relating to Customer Data should be directed to the relevant customer.

1. UPDATES TO THIS PRIVACY NOTICE

We may update this Privacy Notice from time to time at our sole discretion. If we do, we'll let you know by posting the updated Privacy Notice on our website, and we may also send other communications.

2. PERSONAL DATA WE COLLECT

"Personal Data" is any information that relates to you that identifies you either directly from that information or indirectly, by reference to other information that we have access to. We, as the data controller, may collect personal data that you provide to us, including automatically when you use the Services, and through third-party sources, as described below.

A. Personal Data You Provide to Us Directly

We may collect personal data that you provide to us.

- **Wallet Information.** In order to use the Services, you will need to have a Filecoin Wallet Address. This wallet address will be sanction-screened. We may collect personal data, payment information and details

associated with your transactions such as wallet addresses, asset types, and transaction history. Note that your interactions with third-party wallet services are subject to each wallet provider's respective privacy policy, not this Privacy Notice.

- **Your Communications with Us.** We, and our service providers, may collect the information you communicate to us, such as through email, Discord, Telegram, or Twitter.
- **Surveys.** We may contact you to participate in surveys. If you decide to participate, we may collect personal data from you in connection with the survey.
- **Interactive Features.** We and others who use our Services may collect personal data that you submit or make available through our interactive features (e.g., sign up for updates feature, digital newsletter, messaging features, commenting functionalities, forums, blogs, GitHub, and social media pages). Any information you provide using the public sharing features of the Services will be considered "public."
- **Sweepstakes or Contests.** We may collect personal data you provide for any sweepstakes or contests that we offer. In some jurisdictions, we are required to publicly share information of sweepstakes and contest winners.
- **Conferences, Trade Shows, and Other Events.** We may collect personal data from individuals when we attend or host conferences, trade shows, and other events.
- **Business Development and Strategic Partnerships.** We may collect personal data from individuals and third parties to assess and pursue potential business opportunities.
- **Job Applications.** If you apply for a job with us, we will collect any personal data you provide in connection with your application, such as your contact information and CV.

B. Personal Data Collected Automatically

We may collect personal data automatically when you use the Services.

- **Device Information.** We may collect personal data about your device, such as your Internet protocol (IP) address, user settings, cookie identifiers, other unique identifiers, browser or device information, Internet service provider, and location information (including, as applicable, approximate location derived from IP address and precise geo-location information).
- **Usage Information.** We may collect personal data about your use of the Services, such as the pages that you visit, items that you search for, the types of content you interact with, information about the links you click, the frequency and duration of your activities, and other information about how you use the Services.
- **Cookie Notice.** We, as well as third parties, may use cookies, pixel tags, and other technologies ("Technologies") to automatically collect personal data through your use of the Services .
 - **Cookies.** Cookies are small text files stored in device browsers.
 - **[Pixel Tags/Web Beacons.** A pixel tag (also known as a web beacon) is a piece of code embedded in the Services that collects personal data about use of or engagement with the Services. The use of a pixel tag allows us to record, for example, that a user has visited a particular web page or clicked on a particular advertisement. We may also include web beacons in emails to understand whether messages have been opened, acted on, or forwarded.]

See "[Your Privacy Choices and Rights](#)" below to understand your choices regarding cookies.

C. Personal Data Collected from Third Parties

We may collect personal data about you from third parties. These parties may include, but are not limited to, the examples described below.

- **Third Party Service.** If you access the Services using a Third-Party Service, we may collect personal data about you from that Third-Party Service that you have made available via your privacy settings. In addition, users of the Services may upload or otherwise provide personal data about others.

Any personal data shared with a Third-Party Service will be subject to the Third-Party Service's privacy policy. We are not responsible for the processing of personal data by Third-Party Services.

- **Blockchain Information.** We may collect personal data that is publicly available on the blockchain.

3. HOW WE MAY USE PERSONAL DATA

We, as a data controller, may use personal data for a variety of business purposes, including to provide the Services, for administrative purposes, and to provide you with marketing materials, as described below.

A. Provide the Services

We use personal data to fulfill our contract with you and provide the Services, such as:

- Providing access to certain areas, functionalities, and features of the Services;
- Answering requests for support;
- Sharing personal data with third parties as needed to provide the Services;
- Facilitating transactions that you enter into.

B. Improve the Services and Develop New Products and Services

We use personal data to improve the Services and to develop new products and services, such as:

- Improving, upgrading, or enhancing the Services; and
- Developing, training, and fine-tuning models, algorithms, and artificial intelligence technologies.

C. Operate Our Business

We use personal data to operate our business, such as:

- Pursuing our legitimate interests such as direct marketing, research and development (including marketing research), network and information security, and fraud prevention;
- Carrying out analytics;
- Creating de-identified and/or aggregated information.
- Processing applications if you apply for a job we post on our Services;
- Allowing you to register for events;
- Enforcing our agreements and policies; and
- Carrying out activities that are required to comply with our legal obligations.

D. Marketing

We may use personal data to tailor and provide you with marketing and other content relating to promoting our or our partners' products and services. We may provide you with these materials as permitted by applicable law.

E. With Your Consent or Direction

We may use personal data for other purposes that are clearly disclosed to you at the time you provide personal data, with your consent, or as otherwise directed by you.

F. Automated Decision -Making

We will not take decisions producing legal effects concerning you, or otherwise significantly affecting you, based solely on automated processing of your personal data, unless we have considered the proposed processing in a particular case and concluded in writing that it meets the applicable requirements under the Data Protection Legislation.

[We will only use your personal data if we have your consent or where there is another lawful basis to do so. This includes when it is in our legitimate interest to use your personal data, We can only rely on our legitimate business interest, if it is fair and reasonable to do so.]

4. HOW WE MAY DISCLOSE PERSONAL DATA

We disclose personal data to third parties for a variety of business purposes, including to provide the Services, to protect us or others, or in the event of a major business transaction such as a merger, sale, or asset transfer, as described below.

A. Disclosures to Provide the Services

We may disclose any of the personal data we collect to the categories of third parties described below.

- **Disclosures to the Blockchain.** Aspects of the Services may be hosted on or interact with the blockchain. Where you use aspects of the Services that are hosted on or interact with the blockchain, information about your interactions and/or transactions will be provided to the applicable blockchain network and may be accessible to third parties due to the nature of the blockchain protocol.
- **Service Providers.** We may disclose personal data to third-party service providers that assist us with the provision of the Services. This may include, but is not limited to, service providers that provide us with hosting, customer service, analytics, marketing services, IT support, and related services. In addition, personal data and chat communications may be disclosed to service providers that help provide our chat features. Service providers are generally processors acting on the instructions of FilCDN. Additionally, a service provider may use your personal data where this is necessary for compliance with a legal obligation to which it is directly subject (for example, to comply with applicable law or where mandated by a court order or regulatory sanction). A service provider, in respect of this specific use of personal data, may be deemed to be acting as a data controller in its own right.
- **Other Users You Share or Interact With.** The Services may allow FilCDN users to share personal data or interact with other users of the Services.
- **Business Partners.** We may share your personal data with business partners to provide you with a product or service you have requested. We may also share your personal data with business partners with whom we jointly offer products or services.

Once your personal data is shared with our business partner, it will also be subject to our business partner's privacy policy. We are not responsible for the processing of personal data by our business partners.

- **Affiliates.** We may share your personal data with our corporate affiliates.
- **Regulatory or Government Authorities:** In certain circumstances, we may be legally obliged to share your personal data and other financial information with relevant regulatory or government authorities. They, in turn, may exchange this information with foreign authorities.

B. Disclosures to Protect Us or Others

We may access, preserve, and disclose any information we store associated with you to external parties if we, in good faith, believe doing so is required or appropriate to: comply with law enforcement or national security requests and legal process, such as a court order or subpoena; protect your, our, or others' rights, property, or safety; enforce our policies or contracts; collect amounts owed to us; or assist with an investigation or prosecution of suspected or actual illegal activity.

C. Disclosure in the Event of Merger, Sale, or Other Asset Transfers

If we are involved in a merger, acquisition, financing, reorganization, bankruptcy, receivership, purchase or sale of assets, transition of service to another provider, or other similar corporate transaction, your personal data may be disclosed, sold, or transferred as part of such a transaction

5. YOUR PRIVACY CHOICES AND RIGHTS

Your Privacy Choices. The privacy choices you may have about your personal data are described below.

- **Email Communications.** If you receive an unwanted email from us, you can use the unsubscribe functionality found at the bottom of the email to opt out of receiving future emails. Note that you will continue to receive transaction-related emails. We may also send you certain non-promotional communications regarding us and the Services, and you will not be able to opt out of those communications (e.g., communications regarding the Services or updates to this Privacy Notice).
- **"Do Not Track."** Do Not Track ("DNT") is a privacy preference that users can set in certain web browsers. Please note that we do not respond to or honor DNT signals or similar mechanisms transmitted by web browsers.
- **Cookies.** You may stop or restrict the placement of cookies on your device or remove them by adjusting your preferences as your browser or device permits. However, if you adjust your preferences, the Services may not work properly.

Please note that cookie-based opt-outs are not effective on mobile applications. However, you may opt-out of certain tracking on some mobile applications by following the instructions for [Android](#), [iOS](#), and [others](#).

Please note you must separately opt out in each browser and on each device.

Your Privacy Rights. In accordance with applicable law, you may have the right to:

- **Confirm Whether We Are Processing Your Personal Data;**
- **Be Informed About the Purposes for which Your Personal Data is processed;**

- **Request Access to or Portability of Your Personal Data;**
- **Stop Direct Marketing;**
- **Request Correction of Your Personal Data;**
- **Request Deletion of Your Personal Data in some limited circumstances;**
- **Be Informed of a Personal Data Breach (unless the breach is unlikely to be prejudicial to you);**
- **Request Restriction of or Object to our Processing of Your Personal Data; and**
- **Withdraw Your Consent to our Processing of Your Personal Data.** Please note that your withdrawal will only take effect for future processing and will not affect the lawfulness of processing before the withdrawal.

If you would like to exercise any of these rights, please contact us as set forth in [“Contact Us”](#) below. We will process such requests in accordance with applicable laws.

You also have the right to complain to the relevant supervisory authority (including the Cayman Islands Data Protection Ombudsman).

6. INTERNATIONAL TRANSFERS OF PERSONAL DATA

All personal data processed by us may be transferred, processed, and stored anywhere in the world, including, but not limited to, the United States or other countries, which may have data protection laws that are different from the laws where you live. These countries may or may not have adequate data protection laws as defined by the data protection authority in your country.

We may need to transfer your personal data from the Cayman Islands, European Economic Area, Switzerland, or the United Kingdom to countries that may not offer the same level of data protection. When we do this, we make sure your information is processed in line with data protection laws, which may include having in place contracts with service providers who process personal data on our behalf. One of the safeguards we may use to support such transfer is the [EU Standard Contractual Clauses](#).

For more information about the safeguards we use for international transfers of your personal data, please contact us as set forth below.

7. RETENTION OF PERSONAL DATA

We store the personal data we collect as described in this Privacy Notice for as long as you use the Services, or as necessary to fulfill the legitimate business purpose(s) for which it was collected, provide the Services, resolve disputes, establish legal defenses, conduct audits, pursue legitimate business purposes, enforce our agreements, and comply with applicable laws.

To determine the appropriate retention period for personal data, we may consider applicable legal requirements, the amount, nature, and sensitivity of the personal data, certain risk factors, the purposes for which we process your personal data, and whether we can achieve those purposes through other means.

We will generally retain your personal data throughout the lifecycle of the Services. Some personal data will be retained after your relationship with us ends. We expect to delete your personal data (at the latest) once there is no longer any legal or regulatory requirement or legitimate business purpose for retaining your personal data.

8. SUPPLEMENTAL NOTICE FOR EU/UK GDPR

This Supplemental Notice for EU/UK GDPR only applies to our processing of personal data that is subject to the EU or UK General Data Protection Regulation.

In some cases, providing personal data may be a requirement under applicable law, a contractual requirement, or a requirement necessary to enter into a contract. If you choose not to provide personal data in cases where it is required, we will inform you of the consequences at the time of your refusal to provide the personal data.

FilCDN's processing of your personal data may be supported by one or more of the following lawful bases:
