EXPERIENCE

Co-Founder/President

Sep. 2023 - Apr. 2024

National Society of Black Engineers | Toronto, ON

- Oversaw the planning and execution of **5+ major events**, including social meetups, speaker sessions, workshops and collaborative projects with other clubs, resulting in a **50% increase in club engagement**.
- Directed and mentored a team of 10 executives, enhancing team efficiency and **increasing engagement by 30%** since its founding through targeted leadership development and effective task delegation.
- Organized a high-profile launch event with **150+ attendees, securing 3 industry sponsors** and fostering **partnerships with 5 local organisations** and fellow chapters, which expanded the club's network and resources.
- Founded NSBE chapter, successfully establishing the club's presence at the university and recruiting an initial **membership of 200+ students** within the first year.

Team Lead

Aug. 2022 - Apr. 2024

Google Developer Student Clubs | Toronto, ON

- Managed a team of 16 executives, to successfully host **100+ attendees** at conferences and **120+ hackers** at hackathons.
- Initiated and managed collaborations with universities, **increasing membership opportunities by 40%**, social engagement by 35% and **improving event turnout by 30%** through strategic planning and effective task delegation.
- **Reversed underperformance** of district by managing out underperforming executives, identifying and hiring top talent, and motivating the team through frequent communication, coaching, and strategic direction.
- Utilized – to manage workflow and resolve issues accurately, and prepared reports summarizing and analyzing the issues. Developed systems for **membership retention**.

Program Coordinator/Instructor

Sep. 2023 - Mar. 2024

Black Kids Code (Girls) | Toronto, ON

- Conducted 5+ coding workshops for kids, teaching Python from beginner to intermediate levels, directly impacting 50+ students by significantly enhancing their coding skills and interest in technology.

Tech Ambassador

Jul. 2023 - Apr. 2024

Women Tech Makers - Google for Developers | Toronto, ON

- Organized technical workshops led by Google Developer Experts and my fellow Women Tech Maker Ambassadors.
- Led a series of speaker sessions and technical workshops, including a notable session on Machine Learning and an introductory workshop on Angular, engaging an audience of **35+ attendees** per event.
