

Czech – Korean Partnering Program

Partner for Dukovany – Building the Future Together

Oct. 14. 2026 Wed

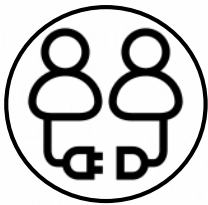

Grand Hotel Prague Towers

About the Program

Strengthening Czech-Korean Cooperation for the Dukovany Nuclear Power Plant Project

This program brings together leading Korean companies and Czech industry leaders to explore cooperation opportunities and build long-term partnerships.

CONNECT

Engage with Korean companies and exchange insights on capabilities, business interests, and potential opportunities.

EXPLORE

Identify potential areas of cooperation based on technologies, batches, and business needs.

COLLABORATE

Build strong partnerships for successful project execution and future growth together.

17 COMPANIES

Discover 17 Korean companies with proven expertise across key areas of the nuclear power industry.

Support for Czech Industry Participation

We provide practical support to help Czech industries participate in the Dukovany Project.

1 PROJECT PARTICIPATION GUIDANCE

A. Project Schedule

- Overview of the project roadmap and key milestones

B. Subcontracting Participation

- How to participate as a subcontractor or supplier

C. Tender Opportunities

- Information on upcoming tenders and batches

2 PARTNERING & BUSINESS MATCHING

A. Partnering Program Promotion

- Introduction to the Czech-Korea Partnering Program

B. Registration & Application

- How to apply and participate in the program

C. Korean Partners Meeting

- 1:1 Meeting with Korea companies by business areas and interests

3 DEDICATED CONSULTATION

Get expert coordination from Team Korea

Korean Partners

MECHANICAL EQUIPMENT PARTNERS

1 Moo Jin Kee Yeon Co., Ltd.

- Interest for Cooperation
 - M265; Single Stud Tensioner, Multi Stud Tensioner
- Potential Cooperation
 - M241, M228B, N205, N210, N217, P202A, P202B, P202C

2 Jeongwoo Industrial Machine Co., Ltd.

- Interest for Cooperation
 - M203; Condenser Tube Cleaning System and Debris Filter
- Potential Cooperation
 - N211, N223, P216A, P216B, P202B, P202C, P202D

3 ANKUG Engineering Co.

- Interest for Cooperation
 - M258; Fire Pump & Driver
 - M259; Fire Detection & Protection System
- Potential Cooperation
 - CM202, Fire Detection & Fighting System

4 JOKWANG I.L.I Co., Ltd.

- Interest for Cooperation
 - Pressure Safety Relief Valves
- Potential Cooperation
 - P217; Steam Trap, P216B; Strainers (Non-NI)

Korean Partners

MECHANICAL EQUIPMENT PARTNERS

5 HANDOL Pumps Ltd.

- Interest for Cooperation
 - M210; CL Seawater Supply P/P & Circulating Water Screen Wash P/P

6 Turbo Link

- Interest for Cooperation
 - Fluid-Film Bearing; Steam Turbine & Generator
 - M241; CW Pump House Accessories (Non-NI)

7 ECO Power Tech

- Interest for Cooperation
 - Mechanical Insulation

Korean Partners

ELECTRICAL EQUIPMENT PARTNERS

1 EHWA Technologies Information Co., Ltd.

- Interest for Cooperation
 - Uninterruptible Power Supply system (UPS)
- Potential Cooperation
 - E214; Battery Chargers & Regulating Transformers (ITNS)
 - E215; Battery Chargers & Regulating Transformers (Non-ITNS)
 - E204; Distribution Transformers

2 G2POWER Co., Ltd.

- Interest for Cooperation
 - E207; Medium Voltage Metal Enclosed Switchgears
 - E239; Heat Tracing Material
- Potential Cooperation
 - E208; 690V Load Center / E209; 690V Motor Control Center
 - E216; DC Motor Control Center
 - E233; Electrical Distribution Panels and Battery Load Bank

3 YOUHO Electric Ind. Co., Ltd.

- Interest for Cooperation
 - E222; Switchyard Control Panel
 - E234; Fault Recorder
- Potential Cooperation
 - E231; Electric Control & Relay Panel

4 VISION Tech Co., Ltd.

- Interest for Cooperation
 - E272D; LED Lamps and Fixtures for Low Radiation Area
 - E272E; LED Lamps and Fixtures for High Radiation Area

5 JIN Tech CT Co., Ltd.

- Interest for Cooperation
 - E250; Cable Tray and Fitting

Korean Partners

I&C EQUIPMENT PARTNERS

1 YPP Corporation

- Interest for Cooperation
 - J232B/C; Control Valves for Severe Service NI/Non-NI
 - J209; HVAC Control Panel, J210; Aux/Local Control Panel
 - J204; Sampling System

2 SF Technology

- Interest for Cooperation:
 - J202; Radiation Monitoring System
- Potential Cooperation
 - N216F; Auto Dose Monitoring system

3 E2S Co., Ltd.

- Interest for Cooperation
 - EDG Analog Excitation System, PCS

4 ENERSYS Co., Ltd.

- Interest for Cooperation
 - Portable Integrated Automatic Circuit Breaker Testing Equipment

5 Focus Technology Co., Ltd.

- Interest for Cooperation
 - Simulator
