DAEPYUNG

STEVIA EXTRACT

- **Natural, zero-calorie** sweetener derived from the stevia plant.
- Contains stevioside and rebaudioside, 200–300 times sweeter than sugar.
- Traditionally used to sweeten beverages like mate tea and coffee.

GLUCOSYLATED STEVIOL GLYCOSIDES

- Enzyme-treated stevia contains up to 15 glucosyl groups for **improved sweetness**.
- Reduces the bitter aftertaste of stevia, enhancing flavor.
- Widely applicable across nearly all types of **food products**.

HLB GENEX

LACTAZYME-B

- **Lactase enzyme** derived from *Bacillus circulans*.
- Proven for functional high quality galactooligosaccharide (GOS) production.
- High conversion efficiency and exceptional stability for optimized performance.

SOD

- Effectively **reduces reactive oxygen species** (ROS) in the body.
- Boosts antioxidant enzyme activity for **cellular protection**.
- Clinically validated with three human trials for proven safety and efficacy.

RAWGA

PLANT-BASED COLLAGEN

- **Plant-based collagen** with natural **antioxidants** like polyphenols and flavonoids.
- **Effervescent powder** that mixes in cold water for a refreshing drink.
- Provides a tangy, carbonated collagen boost for easy **daily consumption**.

M-1 (MULTI GREENS)

- Contains **83 natural and science-backed ingredients**.
- Supports the body's **natural rhythm** and overall **wellness**.

VITECH

POSTBIOTICS & PARABIOTICS

- Combines **prebiotics, probiotics, postbiotics, and parabiotics** from **fermented gold kiwi**.
- Supports **digestion, liver, and gastric health**.
- Includes *Lactobacillus plantarum* to promote **gut balance and immune support**.

HEALTH SUPPLEMENT

- Next-gen Chaga Probiotic (LCL10®): ultra-stable via LNF technology, designed to help **ease female menopause** symptoms.
- Clinically backed botanical extract: *Thymus quinquecostatus* **supports male menopause** with proven actives and confirmed safety.
- **Immune & respiratory support:** helps balance immune responses, relieve allergic rhinitis, and promote healthier breathing.

CHEMPORT

EPA-RICH MEGAPEX

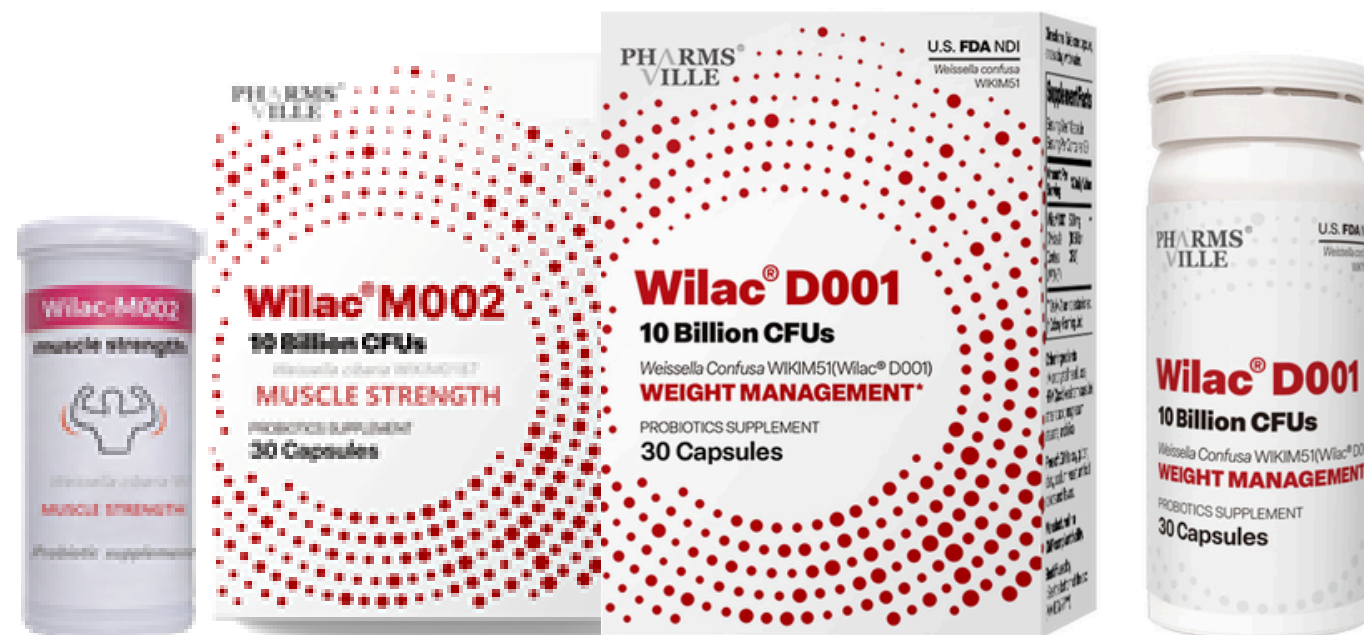

- **High-purity Omega-3** with up to 97% EPA.
- Supports **cardiovascular health, triglyceride management, and anti-inflammatory benefits.**
- Versatile formulation for capsules, liquids, and other nutraceutical products.

DHA-RICH MEGAPEX

- **High-purity Omega-3** with up to 95% DHA.
- Supports **brain, cognitive, and eye health.**
- Flexible formulation for life-stage nutrition, available in EE, TG, and FFA forms.

NVP HEALTHCARE

BICROME NOSE PROBIOTICS

- Clinically supported probiotic for improving **allergic rhinitis**.
- Helps **reduce runny nose and nasal congestion** by regulating the immune system.
- 10 billion CFU with dual support for nasal and gut health.

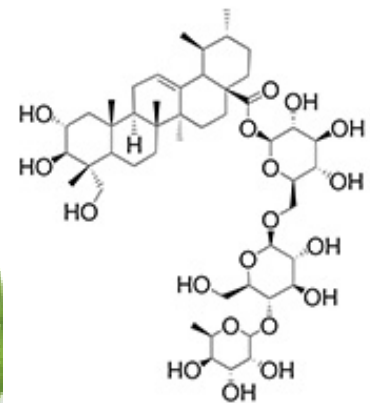

BICROME BRAIN PROBIOTICS

- Probiotic for **cognitive and memory support** via the gut–brain axis.
- **Clinically backed patented strain** improving memory and cognitive performance.
- 10 billion CFU with dual care for brain and gut health.

3H LABS

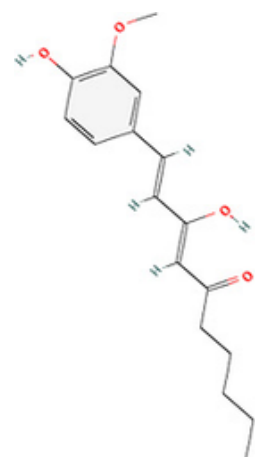

CENTELLA ASIATICA EXTRACT

- Supports **eye, liver, and cognitive health**.
- Helps maintain **macular pigment density** and reduce **eye fatigue**.
- Support **cognitive health** by preventing cognitive decline and memory impairment

STEAMED GINGER EXTRACT

- Supports **gastric health** by helping protect the **gastric mucosa**.
- Aids weight management by helping **reduce body fat**.
- Promotes joint health for better **mobility and comfort**.

PROBIONIC

HEAT-KILLED L.SAKEI PROBIO65

- Supports **immune and skin health**, including relief from inflammation and **atopic dermatitis**.
- Heat-treated, non-viable form ensures stability and safety, no gut colonization needed.
- Versatile **for foods, cosmetics, and pet products**, suitable for global distribution.

LACTIPLANTIBACILLUS PLANTARUM PROBIO87

- Clinically proven to support **women's gut-vaginal microbiome**, enhancing vaginal comfort and infection defense.
- Reduces harmful bacteria and increases protective Lactobacillus species.
- Supports **immune health, gut function, mood, and sleep**, offering a comprehensive wellness solution.

BIO-SYNECTICS

HYDROCURCUMIN

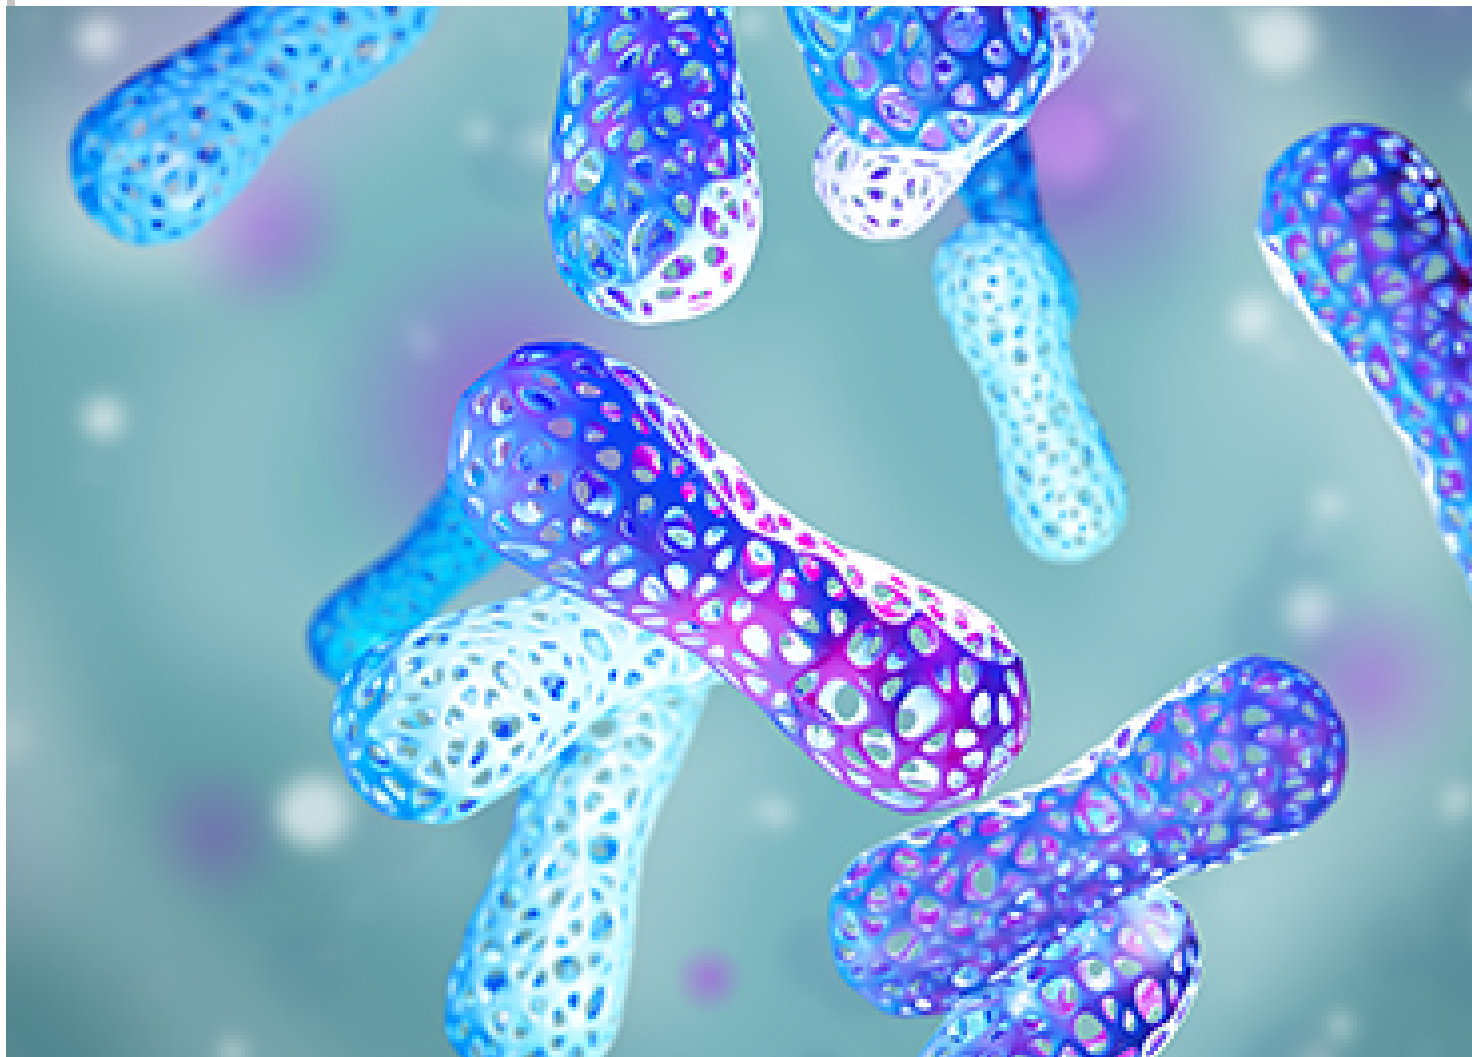

- Nano-formulated, water-dispersible **curcumin** for enhanced **bioavailability and absorption**.
- Supports **liver health**, immune function, and **anti-hangover effects**.
- Provides **anti-inflammatory, antioxidant, and anti-cancer** benefits with versatile formulation applications.

HYDROMIKTHISTLE

- Water-dispersible, nano-formulated milk thistle with 40%+ silymarin.
- Supports **liver health, detoxification, and antioxidant protection**.
- **Higher absorption** than conventional oil-based capsules with versatile formulation options.

kotra

HY

PROBIOTICS FOR WEIGHT LOSS

- **Kimchi-derived probiotic** blend for weight management.
- Helps **reduce body fat and support cholesterol balance.**
- **Clinically supported** with multiple scientific studies.

PROBIOTICS FOR SKINCARE

- **Clinically proven probiotic** (Lactobacillus plantarum HY7714) for **skin health.**
- Improves **skin hydration, elasticity, and wrinkles**, while helping **protect against UV damage.**
- Supported by clinical studies, scientific publications, and global certifications.

FD FARM CO

POOING POOING

- Relieves **constipation**.
- Contains resistant **maltodextrin** as the functional ingredient.
- Enhanced with prunes and tart cherries for improved taste and appeal.

GOOD BODAM BITTER MELON & JERUSALEM ARTICHOKE

- Supports **blood sugar management** and metabolic health.
- Contains **bitter melon and Jerusalem artichoke** to help improve cholesterol and lower blood sugar.

GELTECH

GELATIN

1. **World-first** fully automated production system for gelatin.
2. State-of-the-art facilities ensuring highest quality output.

COLLAGEN

- **Odorless and tasteless** collagen for easy consumption.
- Low molecular weight ensures **easy digestion and absorption.**

PROTEIN CRISPS/PUFFS

- **High-protein content** (40–90%) .
- **Low in calories, saturated fat, and cholesterol** thanks to pressure-puffing (not fried).
- Made from **plant-based** proteins.
