Thanks to everyone who turned up to my little Level D event - we normally get about 30 people to

these events!. I tried to keep a 2 minute gap between each Green competitors as I thought that it was

fairer and also did you really just want to follow your 1 minute person? So thank you for your patience.

I hope you all enjoyed your courses and also the flora on the burrows, the orchids are wonderful at this time of the year (pyramidal and bee).

My thanks to Sarah for helping put on the event and to all the club members who rallied around and helped out on the day and leading upto it.

Any queries on the results please get in touch

Phil Jenkins
