Notes

Thank you everyone for turning out to run on what was a pretty awful day although it was worse on the Sunday before! Luckily I managed to commandeer the farm lorry so we had some shelter - thanks Mum

Sorry about the incorrect code on the boulder. It will teach me to not to type up the descriptions late the night before!

Well done Matt and Sarah on their wins and thanks to Phil and Chris for collecting the controls. In fact, Chris the club <snip> spent more time collecting on the Yellow than running his course!

Mention needs to be made about Dave Mitchell's luminous jacket emitting a yellow glow through the gloom. So bright I kept thinking the sun was breaking through!! No Chance
