| Organiser: | <p>Cris Arnold - j.c.arnold@outlook.com</p> |
| Travel directions: | <p>Don't Go to Oxwich!</p> <p>Parking is at the Penmaen & Nicholaston Village Hall.</p> <p>To get there from the East, go along the A4118, past Parkmill and up past the 3 Cliffs Holiday Park. Then look for the parking area on the left and drive in there, past the houses and through the gate. This will be signed from the main road. Parking is on the grassy area and there will be someone to guide you where to park.</p> <p>If you are coming from the West, go past the Nicholaston Farm Camp Site and then look for the next parking area.</p> <p>The map below shows Penmaen & Nicholaston Village Hall.</p>  <p>W3W: ///interacts.moderated.concerned Post Code: SA3 2HJ OS Grid Ref: SS 526 884</p> <p>From the car park, there is a 10 – 15 minute walk to registration and starts. Go to the gate at the other end of the houses and follow the signed and taped route. Registration, starts and finish are all together at the bottom in Nicholaston Burrows. There will be a tent to leave clothing and (some) kit.</p> |
| Terrain: | <p>The reserve is made up of a bewitching mix of beach, sand dunes, lakes, woodlands, cliffs and salt and freshwater marshes – in fact, it's rare to have so many different habitats in such a relatively small area in the UK. Thanks to its variety of habitats, Oxwich and Nicholaston is home to a diverse range of wildlife, including rare creatures and colourful wildflowers.</p> <p>There are numerous paths, some more distinct than others and you may also find navigating using fences and the beach edge is helpful.</p> |
| Map: | <p>Map scale will usually be 1:7,500 for all courses. Maps will be printed on waterproof paper. Controls are overprinted in purple, and the start and finish are close together and shown by a triangle – start and a double circle - finish.</p> |

| Facilities: | <p>Toilets: Toilets available after the event in the Village Hall</p> <p>Post Event: Village Hall. Club social including free buffet to say thank you for representing the club in the Compass Sport & British Champs Relays and to recognise the efforts of everyone involved in Organising and helping at the British Champs.</p> |
| Your Goal: | <p>To visit each checkpoint in number order as quickly as you can via any route. Checkpoints are mixture of path junctions, cairns, streams, fences and large land formations.</p> |
| Courses: | <p>Trails will not be marked or marshalled. You must use basic navigation to complete the course. Navigation would include following linear features like paths, tracks, fences, streams or obvious land features, though if cutting the corner between linear features is quicker and you are confident to do so, go ahead.</p> |
| Checkpoints: | <p>Each checkpoint will be marked with a stake topped with a red SI unit, and hung with a white and orange flag. You must 'dib' the SI unit with your 'dibber' to record that you have visited the control site. The unit will beep and flash to confirm it has registered your dibber – a demonstration will be given in the briefing for those who are unfamiliar with the technology.</p> |
| Finishing: | <p>You MUST report to the finish, even if you do not complete the course – we don't want to send out a search party only to find you retired and are at home enjoying a cup of tea! An emergency number will be given on the map. All courses close at 12:30 and checkpoints will be collected in at this time.</p> |
| Results: | <p>When you finish, we will download your dibber and issue you with a printout of your results. Results will also be available online, and the Series League table will be available on the club website the week after the event.</p> |
| Personal Information: | <p>Your personal information provided for this event or obtained from registration databases will be used to process your entry, publish results, check for missing runners, used in case of medical emergency and to trace missing SI cards.</p> |
| Event cancellation or postponement | <p>For the latest information check www.sbo.org.uk especially in case of forecasted weather warnings. In the case of cancellation or postponement a notice will be put on the website and through the SBOC Facebook group.</p> |

|--------------------------------|---|
| Safety Information: | <p>A risk assessment has been completed but it should be noted that competitors take part at their own risk, and are responsible for their own safety during the event.</p> <p>Competitors are reminded that they are required to report to the finish and/or download once they have started a course, whether or not they have completed the course.</p> <p>Fell/trail running shoes recommended, ensure you wear appropriate clothing for the conditions. If the weather looks to be bad cagoules will be made compulsory.</p> <p>Courses avoid roads, but there will be vehicles moving in the car park, and there may be vehicles using forest tracks. Please take care in the car park and look both ways before crossing vehicle tracks/roads.</p> <p>A number of dogs off leads use the areas, some can be aggressive towards runners if startled.</p> <p>Other users including mountain bikers and horse riders use the areas, please be vigilant when on paths or crossing tracks and step aside if necessary.</p> <p>Photographs might be taken to promote the sport. Please let the organiser know if you do not wish to be included.</p> |
| Medical Information: | <p>Any competitor with a high-risk medical condition is invited to complete a form available at the event and hand it in to Registration in a sealed envelope.</p> <p>Envelopes will only be opened if required for a medical emergency, and unopened envelopes can be collected from registration after your run or they will be destroyed immediately after the event.</p> |
| Additional information: | <p>Dogs allowed provided they are on leads.</p> |
