Thanks for attending, the weather was as promised “scorchio”, a bit too hot for some (detour to the sea for some while competing was necessary). Our thanks to Ben Mitchell who planned excellent and challenging courses using all of the area to its potential and to the SBOC helpers on the start and

finish, special mention to Siriol and Tom who went back out and helped Ben and Megan collect all the controls.

Post event activities were as usual great fun, BBQ, Space hopper racing and rounders until it got dark, our thanks to Jackie for keeping the game under control.
