18.     Steve Butterworth 3         48-50 (12 found 9 pens)
Apologies to Morgan Brown (39-50) as I didn't record
how many controls he found.
Thanks to everyone who turned up. I hope you enjoyed the map without the
paths. I'll have to think of another twist for the next one. A big thanks to all
those who collected in the controls.
