Thank you to all those who attended, an excellent turnout. For those who did the green and light green courses,

I hope you enjoyed the vertical sand run from Control 8. I am glad that I decided to use dibbers as some of the times were very close, with 1 second between Niall Reynolds and David Seward and 7 seconds between Ben

and Sam Mitchell. Overall there were some pretty impressive times shown, in particular Chris Lewis and Anemeike Silk.

A big thank you to Chris Lewis, Margaret, Stephen and William Reynolds, Sarah Jenkins and Mike Dobbs for bringing in the controls. Much appreciated – although I know Chris you just wanted another go of the vertical sand run.

Finally many thanks to Bridget who gave me advice on planning this, my first event, and made sure that the controls would be in the correct place.
