EXPERIENCE

Leadership and Creative Intern | June 2022- August 2022

Fresh Life Church | Kalispell, MT

As a Leadership Intern I recieved communication training and was then made to speak publically, both in-peron and on-camera, and effectively communicate interpersonally whether spoken or written. As a Creative Intern I worked with the Adobe Suite as a designer's assistant and then as a carpenter building the signs that we designed for an event that had over 1,500 attendees.

Horizontal Directional Drilling | June - August | 2019 & 2021

LaGreca H.D.D. | Schriever, LA

Being a job in the construction industry, I gained hours of on-site experience as a locator, successfully guiding thousands of feet of pipeline underground from start to finish using tools that require technical ability.

Summer Camp Counselor | June 2020 - August 2020

Nicholls State University | Thibodaux, LA

Facilitated daily art projects and physical activities for a group of 25 second grade campers, ensuring that camp policies were enforced and campers were safe.

Office Assistant | August 2019 - December 2019

Louisiana State University | Baton Rouge, LA

Updated an entire physical database of files by scanning all papers within each file and then organizing them digitally.

ACTIVITIES

American Society of Civil Engineers | *Member*

August - May | 2021 - 2022 | *One hour per week*

Attended weekly meetings and paid yearly dues.

American Society of Landscape Architects | *Member*

August- May | 2020 - 2021 | *One hour per week*

Attended weekly meetings and paid yearly dues.

Quiz Bowl | *Member*

August - May | 2016 - 2019 | *Five hours per week*

Attended two practices each week, each lasting two hours, and competed in local and state-wide competitions. Placed first in the televised South Louisiana Quiz Bowl tournament in the 2018-2019 season.

Ecology Club | *President*

August - May | 2017-2019 | *Two hours per week*

As the Ecology Club President, I led the club each week in emptying our school's recycling bins and changing their bags, loading the bags into the dumpster, and tracking the weight of recycled material with a spreadsheet. In total, we were responsible for recycling thousands of pounds of plastic and paper material. I was also responsible for organizing local cleanups and helping save the club's money to buy new water fountains for E.D. White that tracked the amount of plastic saved.

Cross-Country | *Member*

June - December | 2017- 2018 | *Ten hours per week*

Attended daily practices during the summer and season. As a team, we won state-runner up in both seasons that I ran.

Gymnastics | *Founding Member*

June 2017 - April 2018 | *One hour per week*

Five other schoolmates and I began the male gymnastics team at our school. In order to do this, we had to find a gym to practice, secure a coach and faculty sponsor, conduct self-guided practice one hour a week, and meet the state's requirements for competition. We competed in the state meet and won state runner-up. I placed 5th in an event and was named an All-State gymnast.

Basketball | *Member*

November - March | 2015 - 2017 | *Fifteen hours per week*

Attended daily practices, and all games during the season.

Chess Club | *Founder & President*

August - May | 2015 - 2017 | *Three hours per week*

Founded and led two weekly chess club practices. In order to found the club, I had to secure a faculty sponsor and supervisor, write a persuasive essay arguing the need for a chess club, write a donation request for ten chess sets, and successfully recruit roughly 25 members.
