

Make more impact before the year ends

8 creative ways to make the most of your match 🎉

Your match deadline is coming up — don't let it go to waste.

Here are 8 fun, meaningful ways to put every last dollar to work.

1 Holiday gifting that gives back 📺

Give a gift that gives twice.

Donate to a loved one's favorite nonprofit, let your match double the impact, then print the donation confirmation and put a bow on it.

2 Thank you note donation 💖

Who made your year better?

A teacher, mentor, coworker, neighbor, caregiver, coach? Make a donation in their honor to a cause that matters to them — then let your match make the thank-you twice as meaningful.

3 Heading home for the holidays? 🏠

Give back where it all began.

Search Millie for a nonprofit in your hometown — or wherever you're celebrating — and give a little love back to the community.

4 Let the kids pick ☀️

Put the kids in charge of giving.

Give them a small charitable "budget" and let them choose the cause.

"What do you want to help — animals, the planet, kids, hunger, something else?"

Their pick. Your match. Double the impact.

5 Make a gift in your pet's honor 🐾

Your pet probably doesn't need another holiday present.

A shelter pet might. Make a donation in your furry friend's honor and let your match make it go twice as far.

6 5 Days of Giving 📅

Turn one week into \$50 of impact.

Get your family, friends, or team together for 5 Days of Giving. Pick a different cause each day and find a nonprofit doing work you love.

Give just \$5 a day + use your match = \$50 of impact by Friday.

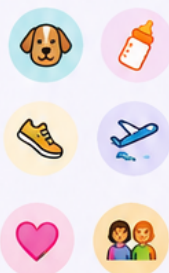

7 Donate to the cause that defined your year 💖

What mattered to you this year?

Maybe you adopted a dog, became a parent, ran your first marathon, traveled somewhere meaningful, learned about a new issue, or leaned on your community.

Find a nonprofit that represents your 2026 story — and give back to something that gave something to you.

8 Support somewhere you visited this year 🌍

Loved somewhere you visited this year?

Give a little back. Find a nonprofit serving a place you traveled to in 2026 and support the people, places, or causes that make that community special.

Leave a little impact behind. 💚

Your match expires at the end of the year.

Don't leave impact on the table.

Not sure where to give?

We're happy to help you find a cause you'll love.
