**This is a message from Joanne Harris**

Dear Neighbors,

Check out our new village website sweetbay.fyi dedicated to everything "Sweetbay!" It's a "one-stop shopping" place to learn about what's going on in our neighborhood.

Note: Some parts of the website contain information that we want to keep for "Sweetbay only." If you are asked for a password, just type in the password: flamingo

Here are some highlights:

- Curious about what's going on in Sweetbay even when you're away? The top of the page will highlight recent Sweetbay announcements.
- Want to know what social activities are coming up? Check out our Village Activities Calendar!
- Lost one of the emails sent out by the village? Click on our Village Emails tab to find it again!
- Have a Landscaping Request? With a nod to Julie Wijnands who kept track of all of our village landscaping requests in a notebook at the pool house, we have now taken that idea and gone digital. Just fill out our online form and your request will be emailed directly to our Landscaping crew.... and you will be sent your own copy too! Using the digital form will help us track requests through to completion.
- Hankering for more? Take time to explore all the other tabs on the website and please let us know if you have suggestions for other information or features that you would like to see.

Warm regards,

Your Sweetbay Village Board
