

Dear Sweetbay Neighbors,

Happy New Year! The Sweetbay Board and I are looking forward to having more neighbors back in the village and to all of the fun things that are planned!

Just a quick reminder that if you have any questions about our village, you find many of the answers on our website [sweetbay.fyi](http://sweetbay.fyi). (A few of the pages on the website may ask you for a password (shhh....it's "flamingo" ☺)).

Have a landscaping request? Just click on the landscape button on the website, fill out the brief request form, and it will be quickly sent to Dennis Wallrath (our Village Landscape Coordinator), Jose Rodriguez (our Landscaping Crew Leader), and appropriate Landscaping Team Management. You will be sent a copy of your request too!

- Have an ARB request? Our website steps you through the process and provides links to forms you will need.
- Need a refresher on when to put garbage/recycling cans out? Check out the "Frequently Asked Questions" tab.
- Not clear about rules about our village pool, or parking/garage door rules? Take a look at the "Village & POA Rules" tab.

Of course, your Sweetbay Board Members are also a great resource if you need us!

Happy New Year to all!
