Message: Dear Sweetbay Neighbors,

Please join me in sending a big shout out to our neighbors, Mary Ann Bichajian and Ron Dugas, for hosting a fantastic Sweetbay holiday party at their home on December 8th. For those of you who attended, I'm sure you'll agree that it was a beautiful, warm way to begin the holiday season together. Thank you, Mary Ann and Ron!

Last night at the clubhouse, several Sweetbay neighbors celebrated the first night of Hanukkah together. Thank you to those who came out to enjoy the festivities together, not to mention the potato latkes and jelly donuts!

Christmas is only a few short days away, overlapping with the continued celebration of Hanukkah. Many of us will be attending parties and making preparations to continue the traditions that make each and every celebration special.

When holidays overlap, it enhances each celebration and makes it even more meaningful to celebrate all that connects us, the celebrations of light, acceptance, love and, of course.....miracles.

Wishing everyone a very Merry Christmas, Happy Hanukkah and Happy New Year!

Joanne
