# All Line Up

## Building relationships by creating a friendly atmosphere

All Line Up is a fun visual activity that encourages sharing and exchanging anecdotes. It is based on interaction between participants. During this activity, participants are divided into groups of six. Within each group, they must position themselves in a line relative to each other according to instructions given by the facilitator. This activity helps to strengthen bonds within a group and energise it at the start of a session.

Number of participants: 12 - 48
