Professional Overview

HardSleeper Music is the creative and publishing identity of Oakland-based recording artist, producer, songwriter, and composer Jaye Sanders. Operating through HardSleeper Music Group, LLC, Sanders maintains independent ownership of both master recordings and publishing through his ASCAP-registered division, HardSleeper Radio. His catalog spans instrumental hip-hop, experimental production, cinematic underscore, and texture-based rhythm compositions, structured for both commercial release and synchronization licensing.

Genres & Creative Focus

Instrumental Hip-Hop • Experimental Production • Cinematic Urban Scoring • Texture-Based Rhythm Compositions • Sync-Optimized Production Assets

Approved Licensing Applications

Film • Television • Streaming Series • Digital Advertising • Gaming • Documentaries • Podcasts • Brand Media • Short-Form Content • Trailers

Rights & Clearance

All works are controlled under a One-Stop Clearance model with direct licensing authority. Masters are controlled by HardSleeper Music Group, LLC and publishing is administered through HardSleeper Radio (ASCAP), with global administration supported by Songtrust and neighboring rights collection through SoundExchange.
