

SITUATION CARDS

Instructions

SITUATION CARDS describe social situations that may be problematic for students. These SITUATION CARDS are to be presented as a game that may be played in the classroom. Each card corresponds with a specific lesson in the Making The Effort™ curriculum; however, they may be modified to better fit the needs of each class.

The game emphasizes that several responses may be appropriate for a given situation. A list of possible solutions for each card may be found in the appendix of the Making The Effort™ teacher's guides. PLEASE NOTE THAT THESE RESPONSES SHOULD NOT BE CONSIDERED "THE" WAY TO HANDLE THE SITUATION; therefore, the responses should not be considered exemplary, definitive, or exhaustive in any way.
