

Fun Activity Worksheet

The diagram consists of four rectangular boxes arranged in a diamond shape. At the top is a box labeled "Name of Activity". At the bottom is a larger box labeled "Description of Activity". To the left is a box labeled "Cost of Activity", and to the right is a box labeled "Location of Activity". Three arrows point from the top, left, and right boxes towards the bottom box: one from the top, one from the left, and one from the right.
