

26. The Situation

You're at a party and you've had a few too many drinks. Kim- whom you've silently adored for several months- walks up and asks for a ride home in your car. This is the chance you've been waiting for. But you're in no shape to drive. What do you do? (Unit 8, Lesson 2)

See the Situation Cards appendix in the *Making the Effort™* Teacher's Guides for instructions on using the cards and possible solutions.
