

17. The Situation

Nobody wants to see this horror movie that you really want to see. You finally talk Chris, an “ex” friend, into going. You blurt out, “Boy, am I glad. I asked everyone else. I didn’t think I’d ever find anyone who’d say yes.” Chris’s face goes blank. You really blew it. What do you do? (Unit 10, Lesson 2)

See the Situation Cards appendix in the *Making the Effort™* Teacher’s Guides for instructions on using the cards and possible solutions.
