

## 53. The Situation

---

Your girlfriend is angry because you often forget dates you have set, and she ends up sitting home on weekend nights. You've promised it won't happen again, but when you woke up this morning you realized you forgot about your date last night. What do you do? (Unit 1, Lesson 5)

---

See the Situation Cards appendix in the *Making the Effort™* Teacher's Guides for instructions on using the cards and possible solutions.
