# Plan Your Campaign

*Use this guide to name your party, nominate your candidates, develop a platform and plan your campaign.*

As a group, nominate a leader who will run for president of the Class Community Club – CCC. If more than one person is nominated, hold a vote and elect one person. People can nominate themselves or decline a nomination. The nominated president will lead their party through the following activities:

## **Name your Party.**

All members of the party will work together to choose a name that represents their beliefs.

## **Develop a platform which states the goals of your party. These must be things that will be helpful to people, the school or the community.**

Our party will make the CCC a valuable club because:

As members of the CCC, we will help people/school/community by:

As members of the CCC, we will raise money to support our cause by:

We will complete the following activities as members of the CCC:

## **Develop a platform for the nominated president, similar to the party platform above.**

As president, I will lead the CCC to do these things:
