

30. The Situation

You're at a video arcade. You see a guy standing in front of a machine. He's faking it like he's playing. But he hasn't put any money in the machine. You politely ask him to move, but he doesn't. You ask again. He continues to ignore you. What do you do? (Unit 12, Lesson 2)

See the Situation Cards appendix in the *Making the Effort™* Teacher's Guides for instructions on using the cards and possible solutions.
