

# Hobby Activity Worksheet

A diagram for a Hobby Activity Worksheet. At the top center is a rectangular box labeled "Name of Activity". Below it is a large hexagonal box labeled "Description of Activity". To the left of the "Description of Activity" box is a smaller hexagonal box labeled "Cost of Activity". To the right is another smaller hexagonal box labeled "Location of Activity". Arrows point from the "Name of Activity" box to each of the three surrounding boxes: a downward arrow to the "Description of Activity" box, and two diagonal arrows (one down-left, one down-right) to the "Cost of Activity" and "Location of Activity" boxes respectively.

**Name of Activity**

**Cost of Activity**

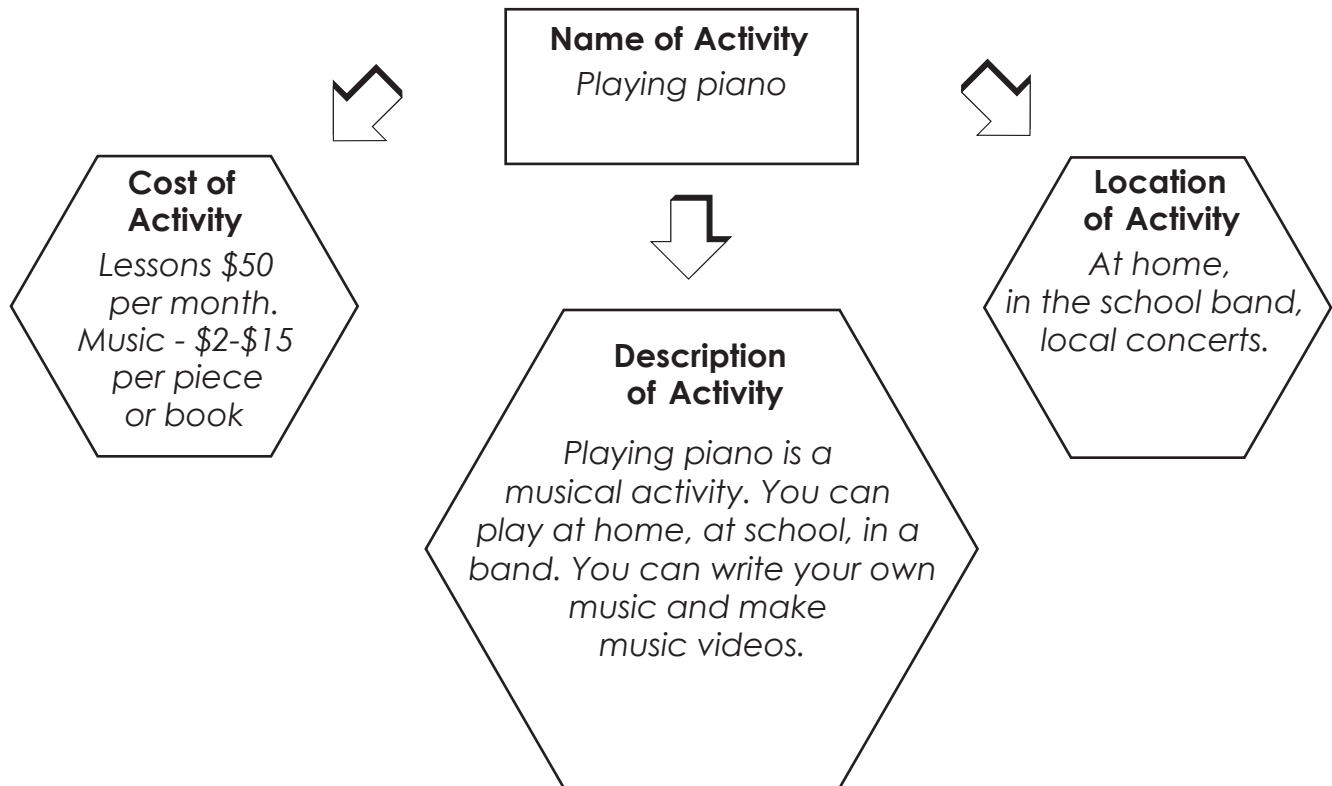

**Description of Activity**

**Location of Activity**

**List three benefits you get from this activity:**

- 1.
- 2.
- 3.

# Hobby Activity Worksheet Sample

**List three benefits you get from this activity:**

- 1. I love to play music*
- 2. I can make a little money playing in a band.*
- 3. I like to write my own music*

**Demonstration:** (Give a five-minute demonstration of your hobby. This will show the class how to do it, what it takes to get started and give them a look at the product.

*"For my demonstration, I will bring the electric keyboard to class and play one of the songs my band wrote."*
